

### System Requirements:

#### 1) Computer with Modem

To use online banking, you will need a modem with a minimum speed of 28.8 kilobits per second.

#### 2) Connection to the Internet

A connection to the Internet through an Internet Service Provider (ISP) is essential.

#### 3) Secure Browser

To send and receive your account information over the Internet, Wadena State Bank utilizes 128-Bit High Encryption, the most secure level of technology available. To access your accounts, your browser must be able to support this level. To find out what level of encryption your browser supports, please review the information below.

#### *Microsoft Internet Explorer*

From the internet explorer menu bar, select *Help*, then *About Internet Explorer*. In the box that opens, the number following the phrase *Cipher Strength* indicates your encryption level. If you would like to download the latest version of Microsoft Internet Explorer, or upgrade to 128-bit security by downloading the High Encryption Pack, visit Microsoft at the following Web address: [www.microsoft.com/windows/ie/](http://www.microsoft.com/windows/ie/)

#### *Netscape Navigator*

From the Netscape Navigator menu bar, select *Help*, then *About Navigator...* (or *Communicator*). Look for the section on the left that begins "Contains encryption software from RSA Data Security, Inc." If the next paragraph reads "This version supports U.S. security...", then your browser supports 128-bit encryption. However, if it reads "international security", then you have 40-bit encryption and you will need to upgrade. If you would like to download the latest version of Netscape Navigator, try: [home.netscape.com/computing/download/](http://home.netscape.com/computing/download/)

### I have received and read the following:

Instructions     Online Account Access Agreement     Wadena State Bank Account Agreement

By signing below, I am applying to use the Wadena State Bank Internet Banking System to access my accounts. I authorize you to charge my account(s) for any transactions accomplished through the use of the IBS. I agree to comply with the Online Account Access Agreement, Electronic Funds Transfer Disclosure and any attached addendum. I agree that sufficient funds must be available in my account on the date I schedule my transactions. The agreements will remain in effect until canceled in writing.

**Important: Please allow 48 hours before your first connection.**
